Presents:

**YEARS OF
TRUST**

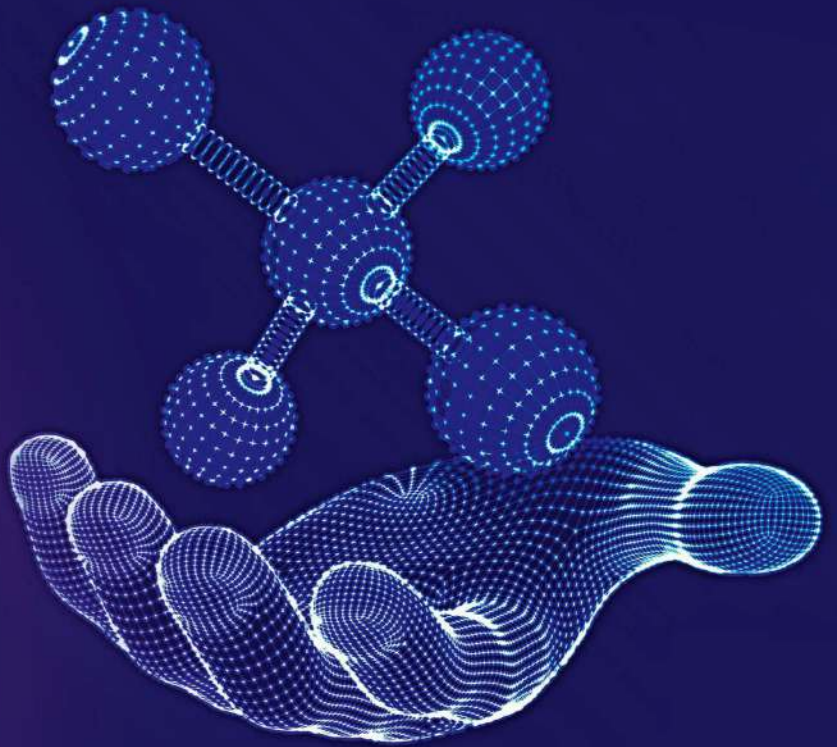

A luxurious *Experience*

BUILDING A SUPER BRAND

Altino

products incorporate technical expertise, energy efficiency, sturdiness and safety, which satisfy the most demanding consumers around the world. At STAR SMITH EXPORT we believe in creating technology that makes a difference, Our products aim at making your life easier and more comfortable. Our hallmark is the technical expertise and high quality products that can be relied upon for life.

Mr. Hitesh Goyal
Managing Director

STAR SMITH

EXPORT PRIVATE LIMITED

Mr. Hitesh Goyal founder & Chairman of Star Smith Export Pvt. Ltd. started a vision with Star Enterprises in 1990.

Since then there has been no looking back, In 2006 Aerostar Enterprises Pvt. Ltd. was born out of the continuous pursuit of perfection.

After conducting extensive market research and studying technologies. We Brought forward another unit by the name of **STAR SMITH EXPORT PVT. LTD.** with a wide range of home appliances and an exclusive collection of Fan & Glass Line Water heaters. In the home appliances industry, we understand the importance of innovation and adaptability. Our Commitment to providing reliable and efficient product remains steadfast.

At Star Smith Export, we prioritise sustainability and customer satisfaction. Our goal is to create products that not only meet but exceed the expectations, while also minimizing our impact on the environment.

We would like to extend Our heartfelt gratitude to our customers, partners, and employees for their unwavering support. Together we will continue to shape the future of the home appliance industry.
